

**Addendum to minutes from pre-tender site meetings on 14th and 16th of May 2019
'Design and delivery of island re-profiling works at Bodenham Lake Nature Reserve'**

Water level data provided in response to question 1 from the pre-tender site meeting "**How deep is Bodenham lake; does Herefordshire Wildlife Trust hold water level data?**" was incorrect, please see amended readings below. The approximate grid reference for the gauge board location is SO SO 52610 51195.

Date	Gauge board reading in meters (in relation to base point of ~58 AOD)
21/08/2018	0.08
04/09/2018	0.06
18/09/2018	0.08
02/10/2018	0.09
16/10/2018	0.09
30/10/2018	0.11
13/11/2018	0.12
27/11/2018	0.11
11/12/2018	0.26
25/12/2018	0.42
08/01/2019	0.55
