### Agenda

<b>Actions followed up from previous meeting:</b>

2. Update on developing the role of Voluntary Warden – recruitment, training, support	Toby S
3. Update on plans for disposal or moth-balling of some nature reserves	Jamie/ Toby S
4. Date for next quarterly strategic update for volunteers	Jamie
<b>Points raised in advance of this meeting:</b>	
1. First Aid requirements for leading work parties as a volunteer.  We have received feedback from one volunteer that they feel a one day first aid with F+ training is not adequate for the role of work party leader. They suggest a two day trauma training which includes a series of role play situations is more appropriate for working parties where power tools and chainsaws are in operation.	
<b>Any Other Business</b>
